

OFFICE OF EXECUTIVE ENGINEER  
NEC-II DIVISION P.W.D., MANIPUR

Dated: 18/08/2021

NO: EE/NEC-II/certificate/Bkg Safety/2020-21/11

Building Safety Certificate

The officials of Executive Engineer, NEC-II Division, PWD, Manipur have visited the UNACCO School, Excellence in Education located at Meitram, Imphal West on 17<sup>th</sup> August, 2021 and have visually inspected its building from the angle of safety and fitness for utilising it as a school building and declared it safe under normal present condition

The building is a three storey RCC framed structure building having a plinth area of approximately 2100 sqm (Ground Floor) and the construction was completed in the year 2017. The required drawings are duly signed and enclosed. In case of any alteration, addition, expansion or modification to the building, it is to be carried out under the supervision of a qualified Civil Engineer and the required certificates should be obtained.

In case the building is affected by any calamities or if there is any settlement in the foundation or any effects in the structures of the building, immediate inspection be arranged to check the stability and safety of the building.

It is hereby certify the that the building can be safely occupied to be used as classrooms, staffrooms and other purpose as required for normal functioning of a school upto Higher Secondary level.

The certificate is valid only for 5 (five) years and it has to be renewed as when required. The certificate is not valid for any legal cases
